You told me how much you didn't want to attend this party over the phone, but you are certainly not acting like it,
Seo Geun-Woo
Oh, I met an interesting woman unexpectedly
Are you saying...
Yep, Miss Han, right here.
Interesting?
This woman is?

You were following me like a puppy and now you found someone else eh
Yeah. I figured that getting along well with the author might prove to be better.
But mind you
Getting too close won't do you any good.
Whether you like or not I expect you to fulfill your duty as the main cast
You are expected to make a speech soon. Go up there and show them your determination fake or not

Hello, ladies and gentleman, thank you for being here at the party celebrating the first drama for SJ entertainment.
Allow me to quickly introduce you to the director and the main protagnoist of the drama.
Director Kim Jun-Hak, he will direct actors. Everyone, please give him a warm welcome!
Doesn't he ... only direct movies ? How did you get him for this drama ?
Well... money talks.

Money ?!
Did he do the same thing he did to me ?!
Yeah, he could well have !
그러고도 남지, 암!
But well... , I admit that the pay is the best here.
Now, for the role of Lord Jang here we have Seo Geun Woo
Hello everyone~

WHY DID I WEAR THESE ON THIS OCCASION WHERE I HAVE TO STAND ALL THE TIME ?

Sir, you have a phone call.
Yes, this is Ryu Je-Hyeong
Haha, how are you doing. This is Kim Jun-Hak. We will be reading the script for the first time today
So, it begins.
Yes, I was wondering if you were coming here today.
Yes, I will. What time is it ?

여호경 (youdamjin@hanmail.net)

Is this the place for reading scripts today ?
Looks like it !
Hello, I am Han Yeo-ul, the author.
Oh, hello ! I am Kim Jun-Hak. I am directing here.
You are younger than I thought. You did well on the scripts.

Looks like the director is pleased with you.
Ah, hello, how do you do ...
Ah, all of a sudden ...
?
.....
Now, I am sure that everyone's nervous since this is the first reading of actual scripts.
Let's just try to get the feeling going for today.

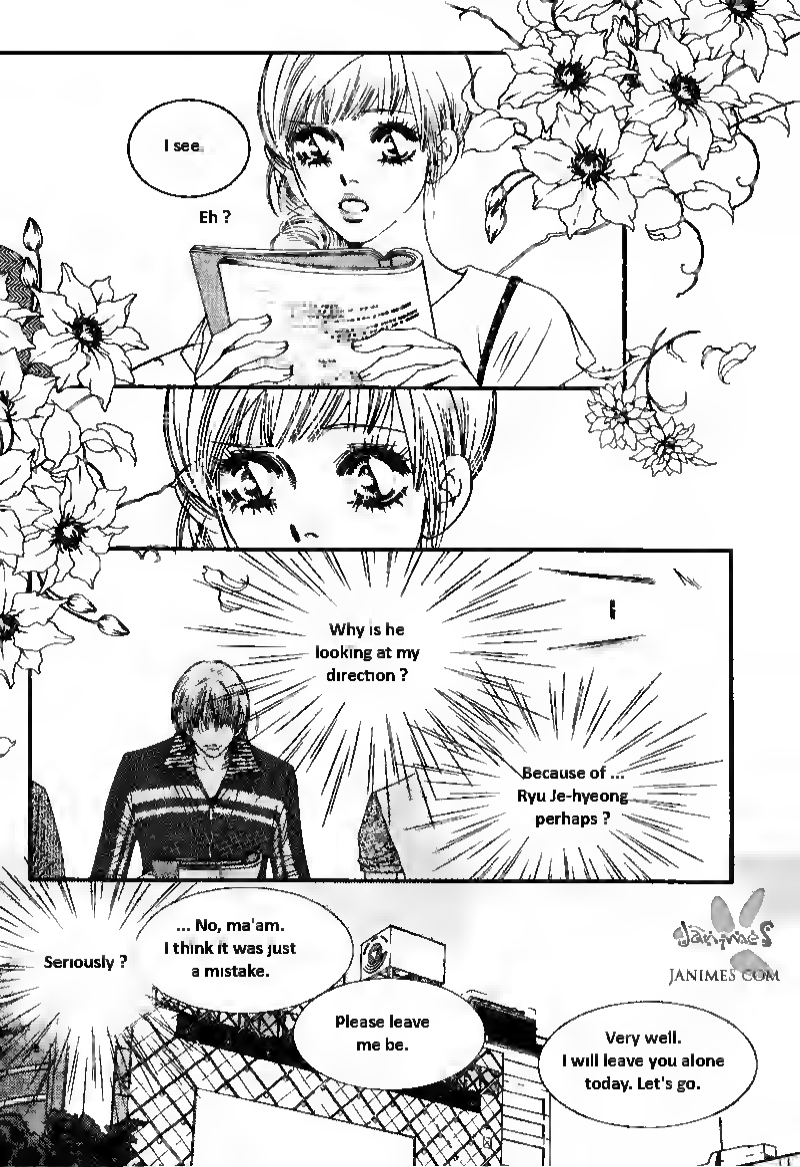
.... That is not what I want. What I want has nothing to do with ...
political power struggles. What I want is life of wind where I can be free.
아 ..
What did you mean last time then ?
I have everything I want.
But after looking at you under moon shine last time, there is one more thing I want now

Your highness....,
please forgive me.
Uh ... !

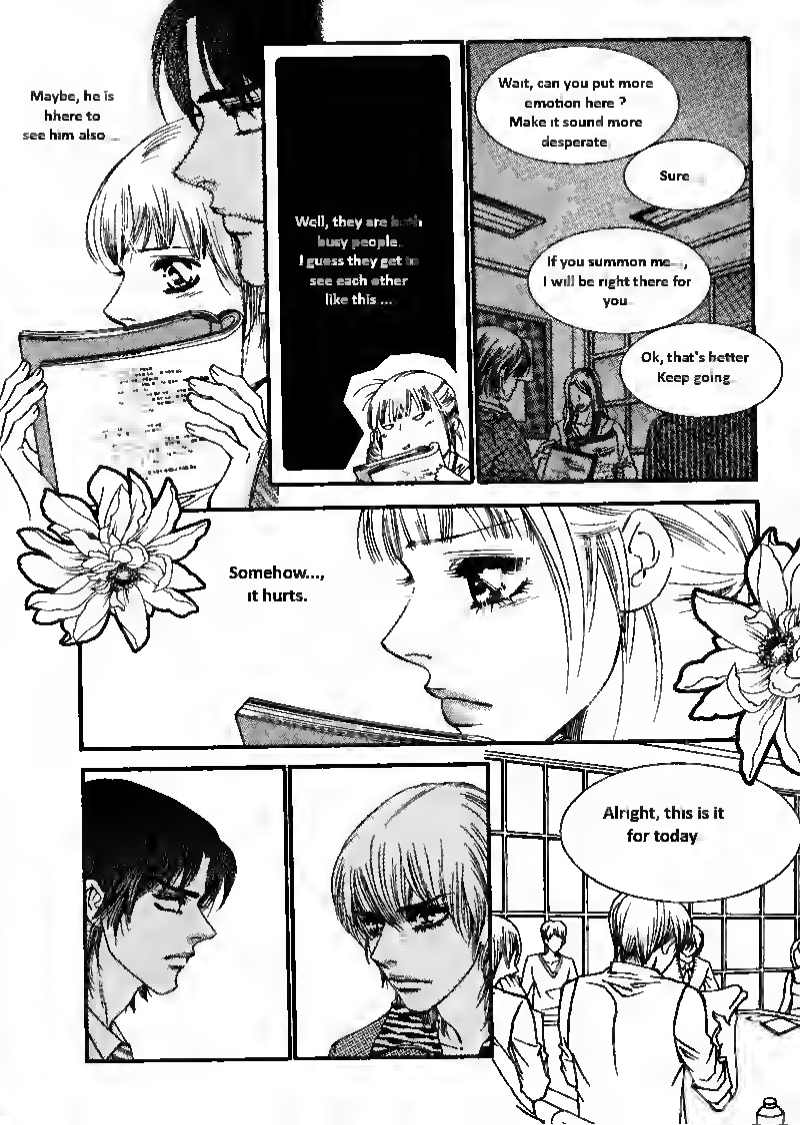
Please take a seat. Anywhere is fine.
Yes...
!!

Out of all seats, why next to me ?!
When will you finish the rest of scripts ? I'd like to have them prior filming
Yes, I heard
Filming is going to begin next week
I just need to check it through It's all done
Eh
I will call your secretary right away soon as it's done

No, I disagree. I don't think so.
If his crime was concealed, I will question whoever was in charge of his case.
I would never question the one who reported his crime.
No, call me instead
... If you insist going after him, I want you to punish me the same as well.
... There are some questions I'd like to ask also.



I see.
Eh ?
Why is he looking at my direction ?
Because of ... Ryu Je-hyeong perhaps ?
Seriously ?
... No, ma'am. I think it was just a mistake.
Please leave me be.
Very well. I will leave you alone today. Let's go.
JANIMES.COM



Maybe, he is hhere to see him also ...
Well, they are both busy people. I guess they get to see each other like this ...
Wait, can you put more emotion here ? Make it sound more desperate.
Sure ...
If you summon me..., I will be right there for you.
Ok, that's better Keep going.
Somehow..., it hurts.
Alright, this is it for today.

Good work today.
As I said during the session,
I want you to put more
emotion into it.
There will be another
reading session for
episode 3 and 4 on
next Monday. Please
be on time.
See you.
Good work.
Nice to meet you.
I love how you
wrote your
scripts.
Thank you.
Are you going
home now ... ?
If so, I can take
you home.

Nevermind.
I prefer a bus over you-know-who's car.
What ?!
How did I do ?
This is my first time acting for a historical drama, so I bet I wasn't good at it.
No, no, you did pretty well actually.

Well, your scripts were fun to read, so it was easy to memorise.
Please stop praising me. It's going to burden me. Thank you though.
Yes.
What's with this warm air between them ?!

Thank you for e-mailing me about the info I requested.
No problem. It was my job to do anyway.
Do you have spare time today ?
Wait - !
I need to see you today. It's urgent.
What ... ?

???
It's kind of sensitive topic. Let's go out.
Um..., Miss Han, I will see you later to-
NO.
Come on ! We haven't got all day !
—?!
It's fine. I will see you later some other day
탁

I really think they have something going on ...
Dude ..
Why not ? I wanted to have this with you.
Hey ...
Don't tell me that "urgent" matter is to eat this with you ?

This place has got quite a reputation.
Sure.
This is getting suspicious, but I will let it go.
Just this once !
Hmm..., it looks like I may have pissed him off for real this time ...

Out of all people why did he ...
!!
Uh -
Hello.
Miss Han, can I talk to you in private ?

Why don't you come to my apartment ?
Pardon ?
What ?
?!
I want you to promise that you will not meet Seo Gun-Woo outside of work ...

JANIMES.COM

why ?
Because I do not want weird gossips even before the project takes off.
"Weird gossips"? What do you mean by that ?
Do I really spell it out for you ?
You and Gun-Uoo, the author and the main male cast, there is nothing good will come from being too close to each other.
I know you may feel offended but try to understand it from my position.

Halt !

What is it ?
We are to depart soon.
It will not take long. I need to see someone aboard.

I shall accompany you.
Say no more. We will be together. That is it.
Sire ...

You might deeply regret.
This path won't be easy
for you.
As long as you are with me,
everything will be fine
Let's go together !

(Thank you for watching)

.....

Are you really not going ?

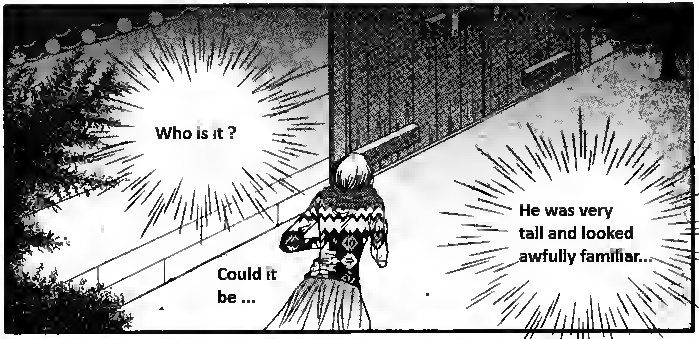
서울 중랑구 신내동 중랑하이츠 아동 1303호 131-782

We should leave now to get there in time. And ... the author called me that she cannot come.
So be it. Let's go.
I see.

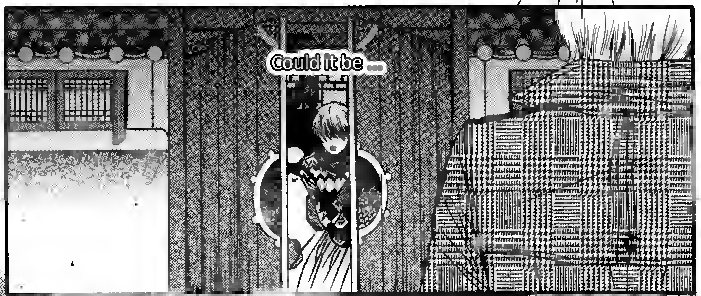
Just let you know, I've devoted all my talents for this drama.
Well, that's your job, and you got many CF offers for that
That's that ! This is this !
You are one lucky dude. Movies all successful and now even your first drama is also successful !
JANIMES.COM
Host a big party for me, dude.
Sure, as long as you promise to host big parties for each CF.
By the way..., I don't see Miss Han. Is she late ?
She is not coming. Busy, apparently.

Seriously ?
She should have at least showed up for this ...
Maybe..., it's because of you.
What did I do?
Forget it
I heard you are going to see a woman?
Ah, that.
A lot have been talking about you They say the chairman has finally accepted you -
And moving you to the center of command
.....

Leave them be. I told you that we will be cleaning those pots.
I will do it.
I said I will do it !
Quit it.
I told you to take a break.
Miso..., someone's here to see you.
He is at the front gate. He has an expensive car.



Who is it ?
Could it be ...
He was very tall and looked awfully familiar...



Could it be ...

Could it be ... !

Why didn't you attend the party ?
I was really disa-ppointed.
Something came up ...
Are you sure you are not avoiding Je-Hyeong?
What are you talking about ?

I am an actor. I can read people's change of emotions by just looking at their faces.
Something happened between you two, didn't it.
.....

... Fine, I will leave.
W, wait ! It should be fine since no one's here.
... Fine.
My secretary told me that you are moving out tomorrow ?

Yes, packing is done. I should be able to move out in morning.
I see.
And ...
I've wanted to thank you.
You know, for allowing me to work on the drama.
. . . . .

If it wasn't for this project..., I might have given up completely on writing eventually.
I managed to do this and it seems I've gotten good recognitions from it.
I wanted to thank you before I leave.
Good bye now.
Miss Han

Tonight may be the last time we see each other like this.
Probably.
Good for you since you won't be having troubles because of me.
Ah...
Good night.

JANIMES.COM

.... Thanks.
Thank you for everything you've done for me.
...!!
Ah ...

...
Nothing happened. You must be misunderstanding something.
Hmm
If so, can you go out with me ?
There is nothing going on between us
And ultimately if I propose to you, will you accept ?

Eh ?
Pro ...
P, PROPOSE ?!
Heh, don't be so, surprised.
Because it was a joke.
Ha - ?
But now I am not joking. Just tell me honestly. You like Je-Hyeong, don't you ?

Of course, not !
No, that's not true !
Alright, don't overreact like that.
But I don't get you two.
To me,
You two look like playing hide & seek right now.

Yes, she is a fine woman.
A good day for both of the families !
And I am not saying this just because he is my grandson, but he is the best among my grandchildren.
Yes, we've heard a lot about him recently.
He is currently a chief of project department, yes ?
That is right. But he does way more than that, so I plan to grant him a much better position soon.
Oh, is that so ?

Of course ! You are giving him your grand-daughter. I would hate to see her marry a mere chief.
I would never noticed when she was around ...
Hmph
Oh -
That's the first time you smiled.

Well, it was certainly hard to be with them, yes ?
Ah ...
I watched your drama. It was really good.
And I watched the movies you've directed as well. It seems you've got real talents

My father really wanted you to work for him.
He repeatedly said that he would have scouted you if you weren't in the same family.
Is that so ...
My father cares little for roots as long as one has talents. Though he would not just choose a dragon of a small pond ...
I am sure you know about my family. They wouldn't bother to look if one didn't have decent roots and talents.

JANIMES.COM

I am fully aware ...

I hope I didn't offend you. I certainly did not mean to ...
흐윽

Yes, it's me.
... I see.

What's with him ? He hasn't spoken much today.
Do I really have to do this ?
But .. he is a talent.

Nothing for story...
And I feel ... weird.

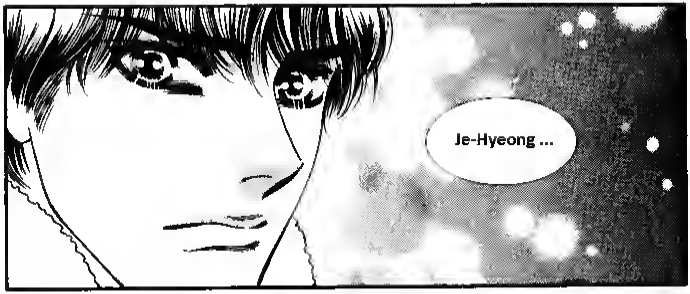
What is happening ?
Congratulations, director Ryu !
Your name frame is so beautiful ! "Director of project department, Ryu Je-Hyeong" !

Be quiet. Now call all chiefs of departments and teams.
Yes ? Ah, yes !
Director, it's from the chairman.
Alright.
It must be pretty busy for you on your first day.
No, it's quite alright, sir.
Well, it is about your marriage. It seems they want to rush it.
Do you know why ?
Well..., it seems it is related to stock market.

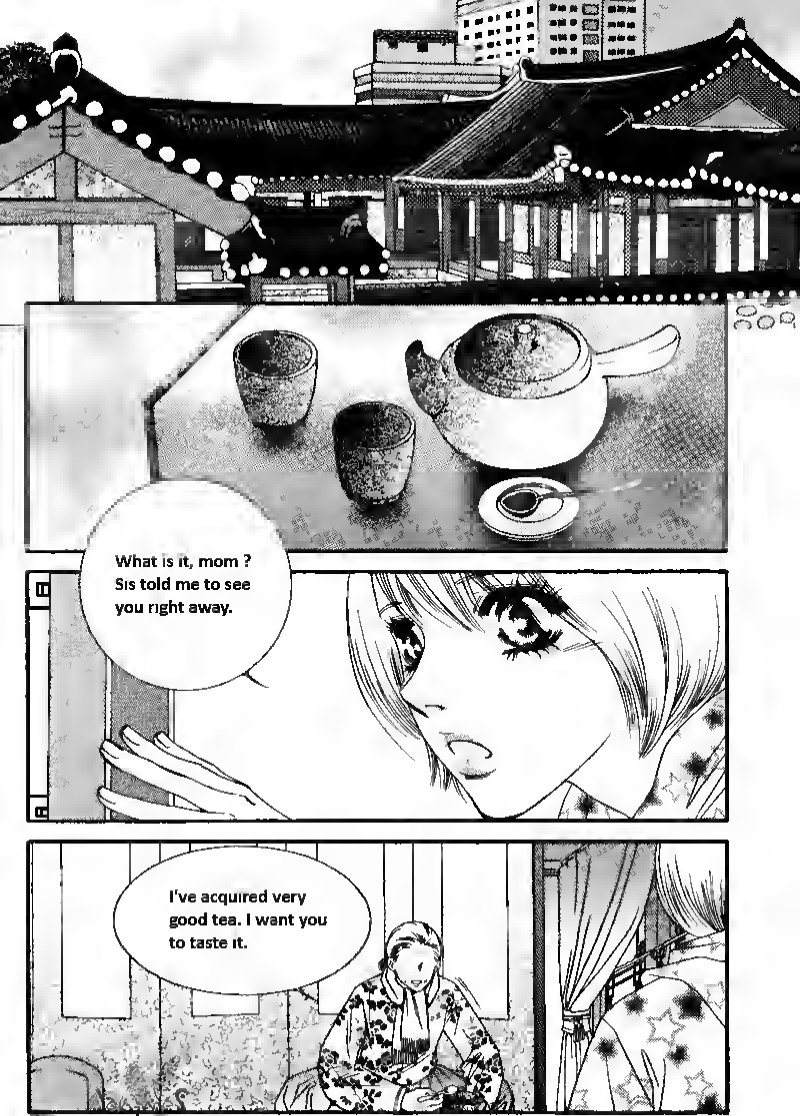
They want it to happen in 6 months and I personally agree.
The faster, the better for you, I think, so I accepted the idea.
Chairman, I ...
That is too early.
6 months ?!
You worry nothing. I've got this under control. I am hanging up now.
... Yes, sir.
What the hell...

Hey, I saw Miss Han some time ago at the station.
It seems she got another job for a short-term drama. She wouldn't show me the scripts though.
I see.
Good for her then.

What's up with you though ? You aren't looking good.
I am ... going to get married.
To the woman I was arranged for earlier.
... What ? I don't remember you telling me about how you thought about her though.
Because I didn't need to. It doesn't matter.
As soon as I met her, I was promoted to a director. Once I get married,
I will be relocated into the HQ.
Hey -

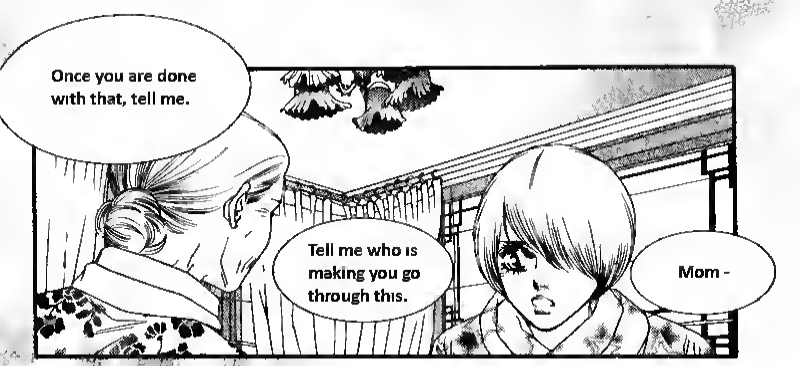


I just don't know ...



What is it, mom ? Sis told me to see you right away.
I've acquired very good tea. I want you to taste it.

That's it ?
Geez, I am busy ...
Don't just stand there. It doesn't take an hour to drink tea.
... Alright
How is it ?
Not bad ..., I guess



You didn't think I would notice ? Let it out ...

It is never good to hold such [illegible] inside of you and hope it to fade away. It won't. It will explode sooner or later.

What are you saying ?! You quit and don't want the marriage ?!
It's just as I said. I want to quit everything.
Is there something that bothered you ? I am sure I can solve -
There is nothing you can do.
I've come to realize that this is not the path I wanted. That is all, sir. I will leave now.
Je-Hyeong !

I will give you one week !
If you needed a break, take
a week off !
No, I will not come
back ! Fare well !

"Is that...
what you've wanted?"

I want ...

園正韓

Why won't sis tell me who's here to see me ?!
She keeps just telling me to come out.

Hello.
Hel-
YOUR HAIR !!!
And why are you looking like that ?!
Does it look strange ? You cut your hair also.

Why are you here ?
I wasn't told that
you'd be here today.
I have a proposition
for you.

A proposition ... ?

Yes, a proposition involving both you and me ...
